

DIPESH SHRESTHA

UI/ UX DESINGER

📍 Kathmandu, Nepal | 📞 9813313229 | ✉️ dipeshshrestha70@gmail.com | [🌐 linkedin](#)

Junior UI/UX Designer with practical experience working on real product features during internships. Strong foundation in UX research, information architecture, and end-to-end KYC flows. Comfortable collaborating with product, frontend, and backend teams to design clear, usable, and scalable interfaces.

PROFESSIONAL EXPERIENCE

Cynical Technology — December 2024 – Present

- Designed and improved user interfaces based on product requirements and feedback.
- Created user flows, information architecture, and wireframes using FigJam and Figma.
- Collaborated with frontend and backend teams to ensure design feasibility and clarity.
- Participated in design reviews and incorporated feedback from seniors and stakeholders.

L1 Technical Support – Dish Home (4 months)

- Provided technical support and resolved user issues efficiently.
- Strengthened communication skills and user-centric problem-solving abilities.

UI/UX Designer – Aide Ascent Pvt. Ltd. (5 months)

- Assisted in designing user interfaces and improving usability for internal and client-facing products.
- Created wireframes, basic prototypes, and UI components in Figma.
- Supported senior designers with layout improvements, visual consistency, and UX documentation.
- Gained hands-on experience working in a team-based design workflow.

PROJECTS

- **BugV — KYC Verification System** – Designed end-to-end KYC user flow including verification states, review, and re-submission.
- **Cynical Technology — Website UI** – Designed website sections, Pages and UI components.
- **Personal Portfolio Website (Live)** – Designed, developed, and deployed a live, fully responsive site using front-end code (HTML, CSS, Tailwind) to showcase comprehensive case studies.
- **Food Recipe Discovery App (UX Focus)** – Executed an end-to-end UX project (Course) involving user research, design system creation, high-fidelity prototyping in Figma, and usability testing.

EDUCATION

Bachelor of Computer Application (BCA) – Madan Bhandari Memorial College (2023 – Present)
Plus 2 (Management with Computer Science) – Capitol Hill College (2021 – 2023)
